

Statement

This accessibility statement applies to: <https://www.motivi.com/> (the “Site”).

Compliance status

The Site is partially compliant with the accessibility requirements of the WCAG 2.2 standard – level AA, due to the remaining non-conformities listed below:

- some text elements do not have sufficient contrast against the background, making them difficult to read for users with low vision
- some checkboxes in the cookie management banner do not have a descriptive label recognizable by assistive technologies

The information in this statement was obtained following a self-assessment, with the support of an external partner.

Preparation of the accessibility statement

This statement was prepared on 03/09/2026.

The technical assessment was carried out by EqualWeb (specialized external partner), supplemented by internal checks, with the most recent verification on 19 August 2026.

Accessibility review is considered an ongoing activity. In this regard, Miroglio Fashion S.r.l. is committed to maintaining compliance with accessibility requirements, promptly intervening to correct any non-conformities that may emerge during subsequent assessments. With this in mind, this statement will be updated at least annually and whenever significant changes are made to the Site.

The Site aims to ensure compatibility with the widest possible range of browsers and assistive technologies. In this regard, specific efforts have been made to ensure correct operation on the main browsers, including Safari, Chrome, Firefox and Opera, as well as with the main assistive technologies such as JAWS and NVDA, used on Windows and Mac systems.

Technical specifications

The accessibility of this Site relies on the following technologies to work with the various combinations of browsers and with any assistive technology or plug-in installed on the computer:

- HTML
- WAI-ARIA
- CSS

- JavaScript

These technologies are essential for compliance with the accessibility standards used.
